Summary

Proactive Computer Science student at VIT with a strong foundation in Full-Stack Web Development and a specialization in Artificial Intelligence. Proven ability to build end-to-end applications, from an AI-powered deepfake detection system to a full-stack ride-sharing platform. Eager to apply a unique blend of web development, UI/UX design (Figma), and machine learning skills to a challenging technical role.

Experience

Sep 2025 - PRESENT

Student Ambassador

LetsUpgrade EdTech Pvt Ltd

- Delivered information to prospective students regarding academic offerings and resources.
- Organized campus events promoting university programs and student engagement.
- Supported social media campaigns showcasing student experiences and achievements.
- Facilitated communication between students and administration, addressing concerns and feedback.

Education

2024 - 2028

VIT Bhopal University (VIT), Bhopal

Graduation • B.Tech (Bachelor Of Technology) • Computer Science And Engineering
CGPA - 7.74

2023 - 2024

Gorakhpur Public School , Gorakhpur

Intermediate • 12th Passout
Percentage - 75%

Certification

Java (Basic)

[Certificate Link](#)

NPTEL (Cloud Computing)

[Certificate Link](#)

Figma Bootcamp

[Certificate Link](#)

Certificate No. -: LUEFGSEPT12549

Skills

- Cloud Computing
- Python Programming
- Full Stack Development
- UI/UX design and prototyping
- Machine learning and AI
- JavaScript development
- API design and integration
- Communication and collaboration

Projects

Deepfake Video Classification

📅 Jul 2025 – Sep 2025

🔗 [Project Link](#)

A deep learning system for detecting deepfake videos using the EfficientNetV2B0 architecture with a user-friendly desktop application interface.

Cyber Sentinel

🔗 [Project Link](#)

A real-time societal threat analysis dashboard built for the Cybershield Hackathon 2025. This project provides a centralized command center for law enforcement to monitor, analyze, and act upon potential threats identified from open-source intelligence (OSINT) feeds like Reddit and news articles.

Achievements

NPTEL

- Elite + Silver Certificate, NPTEL (Jan-Apr 2025)
- Selected as Student Ambassador, LetsUpgrade (September 2025)
